Unique Student Identifier

If you're studying nationally recognised training in Australia from 1 January 2015, you will be required to have a Unique Student Identifier (USI). Your USI links to an online account that contains all your training records and results (transcript) that you have completed from 1 January 2015 onwards. Your results from 2015 will be available in your USI account in 2016.

When applying for a job or enrolling in further study, you will often need to provide your training records and results (transcript). One of the main benefits of the USI is the ability to provide Students with easy access to their training records and results (transcript) throughout their life. You can access your USI account online from your computer, tablet or smart phone anytime. Fact sheets –available to download [Student Information for the USI](#)

It's free and easy to [create your own USI](#) and will only take a few minutes of your time. Alternatively, we can create your USI on your behalf. To do this we will need some additional identification information from you such as your driver's licence number.

Your safety

Accelerated Training is committed to providing you a safe environment in which to participate in training and assessment.

We are aware under the Work Health and Safety Act 2011 of our responsibilities to maintain a safe environment.

Fire safety

- Accelerated Training will undertake to communicate the procedures involved in evacuation and the location of fire equipment to Students at each facility for each training and assessment event; and to users of the office at least twice each year.
- All users of a training and assessment facility need to be familiar with the location of all EXITS and fire extinguishers. Users will consult available maps to determine location.
- It is the user's responsibility to understand fire drill procedures displayed around the premises.
- Users are asked to attend any sessions on fire safety procedures and the use of fire safety devices.

First aid

- Provision for first aid facilities are available where training is delivered.

Your equity

In the event that discrimination and harassment is found to have occurred disciplinary action will be taken against any staff member who breaches this policy. Suspected criminal behaviour will be reported to police authorities immediately. Students should expect fair and friendly behaviour from Accelerated Training staff members and we apply complaint handling procedures advocated by the Australian Human Rights and Equal Opportunity Commission (HREOC).

Students who feel that they have been discriminated against or harassed should report this information to a staff member of Accelerated Training that they feel they can trust. This will initiate a complaints handling procedure which will be fair and

transparent and will protect your rights as a complainant. Alternatively, if a Student wishes to report an instance of discrimination or harassment to an agency external to Accelerated Training, they are advised to contact the HREOC Complaints Info-line on 1300 656 419.

Fees payable

Fees are payable when a Student has received a confirmation of enrolment. The initial fee payment must be paid prior to commencing training or within 10 days of receiving an invoice from Accelerated Training. Accelerated Training may discontinue training if fees are not paid as required. For a full list of current fees and charges please request a copy of Accelerated Training schedule of fees and charges.

Student cancellation

A student who wishes to cancel their enrolment must give notice in writing. This may be via email or letter. Accelerated Training staff who are approached with initial notice of cancellation are to ensure the student understands their rights with regards to the refunding of tuition fees. The student is also to be advised of other options such as suspending the enrolment and re-commencing in another scheduled training program.

Students who give written notice to cancel their enrolment and who are eligible for a refund are to be provided with a Refund Request Form. Students' who may not be eligible but are requesting a refund should also be

provided with the Refund Request Form so the request can be properly considered by the Chief Executive Officer.

Replacement of text & training workbooks

Students who require replacement of issued text or training workbooks will be liable for additional charges to cover the cost of replacement. For a full list of replacement charges please refer to Accelerated Training schedule of fees and charges.

Refunds

Students, who give notice to cancel their enrolment **10 business days** or more prior to the commencement of a program, will be entitled to a full refund of fees paid. This policy complies with the Australian Consumer Law required statutory cooling off period for the sale of goods and services. It is a requirement under the Standards for Registered Training Organisations that an RTO must allow the minimum statutory cooling off period applicable for the jurisdiction in which they operate. Australian Consumer Law introduced in 2010 has made this consumer protection consistent in all States and Territories.

Students who give notice to cancel their enrolment **9 business days** or less prior to

the commencement of a program will be entitled to a 75% refund of fees paid via cheque. The amount retained (25%) by Accelerated Training is required to cover the costs of staff and resources which will have already been committed based on the Students initial intention to undertake the training.

No refund or exchange will be given for any goods purchased from Accelerated Training unless they are proven to be faulty.

Students who cancel their enrolment after a training program has commenced will not be entitled to a refund of fees.

Where a Student has purchased a text or training workbooks and subsequently cancels, Accelerated Training will not refund monies for the text.

If the course fee was paid by a third party, then the third party will be refunded the course fee.

Payment method

Accelerated Training accepts payment for fees using:

- Credit Card
- Electronic Funds Transfer (account details available on request)
- Payment in cash is discouraged.

Substitutions

Requests for substitutions are to be made in writing and can be made at any time up to 2 working days before the program commencement date.

Transfers

Requests for transfers to alternate programs can be arranged if Accelerated Training is advised in writing more than 10 working days prior to the program commencement date and there is availability on the selected program. One transfer will be accepted without charge where Accelerated Training has been notified in writing at least 10 working days prior to the scheduled commencement date. All subsequent transfers will attract an administration charge of \$55.00 (incl. GST).

Statutory cooling off period

The Standards for Registered Training Organisations require Accelerated Training to inform persons considering enrolment of their right to a statutory cooling off period. A statutory cooling off period (which is 10 days) is a period of time provided to a consumer to allow them to withdraw from a consumer agreement, where that agreement was established through unsolicited marketing or sales tactics. These include tactic such as door-to-door sales and

telemarketing. A statutory cooling off period allows a consumer to withdraw from a sales agreement within 10 days of having received a sale contract without penalty.

It must be noted that Accelerated Training do not engage in unsolicited marketing or sales tactics and therefore a statutory cooling off period is not applicable to our Students who have enrolled into a program. For refund option in other circumstances, Students must refer to the above refund policy.

Our Guarantee to Clients

If Accelerated Training or a third part cancels or ceases to provide training, Accelerated Training must issue a full refund for any services not yet provided. The basis for determining "services not yet provided" is to be based on the units of competency completed by the Student and which can be issued in a statement of attainment at the time the service is ceased.

As an example: A Student enrolled in a course of 10 units of competency and paid \$1,500.00 up front as the total course fee. The course was cancelled due to the trainer falling ill and the Student at that time had completed 4 of the 10 units. The Student's enrolment would be finalised and the Student would receive a Statement of Attainment for the 4 completed units. The Student would also receive a refund of

\$900.00 which represents that value of the training not delivered.

Changes to terms and conditions

Accelerated Training reserves the right to amend the conditions of the Student's enrolment at any time. If amendments are made that effect the Student's enrolment the Student will be informed 7 days prior to changes taking effect.

Access to your records

You are entitled to have access to your records. These records include your:

- Student file,
- learning and assessment record,
- administrative records,
- AQF certificates including a reissuance of a statement of attainment or qualification which has been previously issued.

You may require these records to monitor you progress with training or simply to go back and confirm something in a previous training module. Whilst these records will be retained by Accelerated Training, you are welcome to have access anytime just ask your trainer and it will be organised immediately.

You can access hard copy records and reports from our Student management system, but only relating to you personally. You can request this access using the

Student Records Request Form. Access to requested records during a work day will be arranged as soon as possible and definitely within 24 hours. Students should note that these records cannot be taken away unless a copy is requested. Where photocopies are requested, Accelerated Training reserves the right to charge a one-off photocopy fee of \$10.00. There is no cost to simply view records at our office.

In the case of accessing a reissuance of a previously issued Statement of Attainment or Qualification certificate, if you have lost or misplaced your AQF certificate you may obtain a reissued certificate from Accelerated Training. To obtain this you must complete the Student Records Request Form and return this to the Office Manager. The cost of \$50.00 will apply for each issued AQF certificate. These monies must be paid in advance. Reissued AQF certificates will be an exact duplicate of the original with the exception of small wording at the bottom of the document which identifies the certificate as reissued. AQF certificates may only be collected in person or can be posted via registered post. A Student may also nominate another person to collect the certificate, however these persons must be notified to Accelerated Training beforehand and the person must provide photo ID to validate their identity.

Continuous improvement

Accelerated Training is committed to the continuous improvement of our training and assessment services, Student services and management systems. Central to this commitment is our approach to continuous improvement and the procedures we apply to achieve systematic and sustained improvement.

Suggesting improvements

The primary method of reporting opportunities for improvement by Students is via the continuous improvement reporting procedure. This procedure allows any person to raise a Continuous Improvement Report for consideration by the Continuous Improvement Committee. Often these reports will be generated after an opportunity for improvement has been identified by a staff member or Student. The Continuous Improvement Report template is available on request. Students are encouraged to provide feedback to Accelerated Training so we can improve our services in the future.

Student satisfaction survey

At the completion of your training program, you will be issued with a Student Satisfaction Survey. This is a nationally consistent survey tool which is designed to collect feedback from Students about their experience with an RTO and in

undertaking nationally recognised training. Your completion and return of this survey is important to Accelerated Training for our ongoing improvement of services and to enable us to report this information to our registering authority. Your assistance in gathering this survey data is greatly appreciated.

Assessment

At Accelerated Training assessment is conducted using a combination of Written Exam Assessment, Case Studies Written Responses, Direct Observation of Practical Performance and a 3rd Party Supervisor Report (workplace evidence and supporting workplace documents)

The following provides a brief explanation of the primary assessment methods:

- **Written Exam Assessment:** The Student is required to provide a written response to a range of questions relating to required knowledge of the units of competency. These would generally be short answer response activities and may include other questioning methods including multiple-choice.
- **Case Study Written Response:** The Student is required to provide a written response to a situation presented in a case study scenario. This will usually require the Student to consider carefully the situation presented, undertake some research to inform their response and then to propose their recommended actions.
- **Direct Observation of Practical Performance:** The Student will be asked to perform a practical activity. The assessor will observe the Student performing tasks relevant to the units of competency being assessed. The Student will be briefed on these observation activities.
- **3rd Party Supervisor Report** – Learners may be asked to gather additional workplace evidence which may be used in the learner's portfolio of evidence so as to allow assessor to make the judgement call based on training package requirement.
- **Workplace Experience Log:** The Student may be required to record details of their work activity completed during the workplace, if additional evidence for assessment is required. These details are recorded against specified tasks which are predesigned for the Student to complete. This form may be an important part of the assessment evidence as it may include critical supplementary evidence that could be difficult for an assessor to observe. The supervisor will verify the workplace experience by signing off the **3rd party Supervisor Report.**
- **Workplace Documents:** The Student will be asked to obtain workplace documents to support their workplace experience.

Re-assessment

Students who are assessed as not yet competent are to be provided with detailed verbal and written feedback to assist them to identify the gaps in their knowledge and skills to be addressed through further training. These Students are to be provided with additional training and learning support to target their specific gaps in knowledge and/or skills and prepare them for additional assessment.

It is the policy of Accelerated Training to provide three opportunities for additional training and re-assessment at no additional cost to the Student or employer. Students who require additional training and re-assessment after they have exhausted their three opportunities will be required to pay a fee for additional training and re-assessment. Please refer to the current fee schedule to identify the re-assessment fee.

Students requiring additional learning support are to be brought to the attention of Accelerated Training management so the progress of the Student can be monitored closely and additional support services can be applied well before it becomes necessary to impose an additional fee for re-assessment. Where Students repeatedly do not demonstrate competence following significant learning and assessment support, a Student's enrolment can be determined through mutual agreement.

Issuing Qualifications and Statements of Attainment

Accelerated Training will issue all AQF certification documentation (Qualifications and Statements of Attainment) to a Student within 30 calendar days of the Student being assessed as meeting the requirements of the training product if the training program in which the Student is enrolled is complete, and providing all agreed fees the Student owes to Accelerated Training have been paid.

Language, literacy & numeracy skills

Language, literacy and numeracy skills are critical to almost all areas of work. This is particularly true in many vocations where language, literacy and numeracy skills influence the performance of workplace tasks such as measuring, weighing and comprehending written work instructions.

To support this approach Accelerated Training will:

- Assess a Student's language, literacy and numeracy skills during their enrolment to ensure they have adequate skills to complete the training;
- Support Students during their study with training and assessment materials and strategies that are easily understood and suitable to the level of the workplace skills being delivered;

- Provide clear information to Students about the details of the language, literacy and numeracy assistance available. Accelerated Training generally recommends the LLN training courses provided by TAFE. These institutes have specialist teachers to support the Student's development.
 - Refer Students to external language, literacy and numeracy support services that are beyond the support available within Accelerated Training and where this level of support is assessed as necessary; and
 - Negotiate an extension of time to complete training programs if necessary.
- Once you have completed the required form you are requested to submit this to the Office Manager either in hard copy or electronically via the following contact details:
 - [Level 1, 4a cnr Baan Baan Street & 37-39 Princes Hwy, Dapto NSW 2530](#)
 - admin@acceleratedtraining.com.au

If you are having any difficulty accessing the required form or submitting to us, please contact us at the following number:

- [\(02\) 42627072](tel:(02)42627072)

What is a complaint?

A complaint is negative feedback about services or staff which has not been resolved locally. A complaint may be received by Accelerated Training in any form and does not need to be formally documented by the complainant in order to be acted on. Complaints may be made by any person but are generally made by Students and/or employers.

What is an appeal?

An appeal is an application by a Student for reconsideration of an unfavourable decision or finding during training and/or assessment. An appeal must be made in writing and specify the particulars of the decision or finding in dispute. Appeals must be submitted to Accelerated Training within **28 days** of the Student being informed of the decision or finding.

Making complaints & appeals

Accelerated Training is committed to providing a fair and transparent complaints and appeals process that includes access to an independent external body if required. To make a complaint or an appeal, you are requested to complete one of the following forms:

- Complaint Form
- Request for Appeal of a Decision

These forms are available via our website at the following address:

- www.acceleratedtraining.com.au

Early resolution of complaints & appeals

In all cases, issues that arise during training and assessment that are the source of frustration or are in dispute should be resolved at the time, as they occur between the persons involved, where possible. Sometimes, it will not be possible and in these cases you are encouraged to come forward and inform us of your concerns with the confidence that you will be treated fairly.

Complaint and appeals handling

Accelerated Training applies the following principles to its complaints and appeals handling:

- A complaint or appeal may be received in any form (written, verbal) although persons seeking to make a complaint are recommended to complete the complaint form or request for an appeal of a decision which are available on the Accelerated Training website.
- A person who makes a complaint or an appeal must be **provided a written acknowledgement** as soon as possible and **not later than 24 hours** from the time the complaint or the appeal is received. This acknowledgement is intended to provide the person assurance that Accelerated Training had received the complaint or the appeal and will review the relevant issues and provide a response. The

acknowledgement must inform the person that they will receive a written response within 14 days.

- There is no time limitation on a person who is seeking to make a complaint. An appeal however must be made within 28 days of the person being informed of the decision or finding of which they intend to appeal.
- Written records of all complaints / appeals are to be kept by Accelerated Training including all details of lodgement, response and resolution. Accelerated Training will maintain complaints / appeals register to be used to record the details of the complaint / appeal and to maintain a chronological journal of events during the handling process. Records relating to complaint / appeal handling are stored securely to prevent access to unauthorised personnel.
- A person making a complaint or seeking an appeal is to be provided an opportunity to formally present his or her case at no cost.
- Each person may be accompanied and/or assisted by a support person at any relevant meeting.
- Where a complaint or appeal is made about or involves allegations about another person, Accelerated Training is

Accelerated Training

obliged to inform this person about this complaint/appeal or allegation and provide them the opportunity to respond and present information in response to the issues raised. This may be achieved through direct meetings or meeting via an electronic means. Accelerated Training will maintain a detailed record of these meetings in the form of a record of conversation. At all times information must be handled sensitively and treated in confidence. Persons involved in a dispute or complaint should be reminded to treat each other with respect and conduct themselves in a professional and courteous manner.

- The handling of a complaint / appeal is to commence within **seven (7) working days** of the lodgement of the complaint / appeal and all reasonable measures are taken to finalise the process as soon as practicable.
- The person making a complaint or seeking an appeal is to be provided a written response to the complaint / appeal, including details of the reasons for the outcome. A written response must be provided to the person within **fourteen (14) days** of the lodgement of the complaint / appeal.
- Complaints / appeals must be resolved to a final outcome **within sixty (60) days** of the complaint / appeal being

initially received. Where Accelerated Training Chief Executive Officer considers that more than 60 calendar days are required to process and finalise the complaint / appeal, the CEO must inform the person making a complaint or seeking an appeal in writing, including reasons why more than 60 calendar days are required. As a benchmark, Accelerated Training will attempt to resolve complaints / appeals as soon as possible. A timeframe to resolve a complaint / appeal within thirty (30) days is considered acceptable and in the best interest of Accelerated Training and the person making a complaint or seeking an appeal. A person making a complaint or seeking an appeal should also be provided with regular updates to inform them of the progress of the complaint / appeal handling. Updates should be provided to the person making a complaint or seeking an appeal at a minimum of two (2) weekly intervals.

- Accelerated Training shall maintain the enrolment of the person making a complaint or seeking an appeal during the handling process.
- Decisions or outcomes of the complaint / appeal handling process that find in the favour of the person making a

Accelerated Training

complaint or seeking an appeal shall be implemented immediately.

- Complaints / appeals are to be handled in the strictest of confidence. No Accelerated Training representative will disclose information to any person without the permission of Accelerated Training Chief Executive Officer. A decision to release information to third parties can only be made after the person making a complaint or seeking an appeal has given permission for this to occur. This permission should be given using the Information Release Form.
- Complaints / appeals are to be considered and handled to ensure the principles of natural justice and procedural fairness are applied at every stage of the handling process. This means that the person making a complaint or seeking an appeal is entitled to be heard with access to all relevant information and with the right of reply. The person making a complaint or seeking an appeal is entitled to have their complaint heard by a person that is without bias and may not be affected by the decision. Finally, the decision must be made based on logical evidence and the decision-maker must take account of relevant considerations, must act for a

proper purpose and must not take into account irrelevant considerations.

- Further guidance on principles of natural justice and procedural fairness can be accessed at the following link: [Principles of Natural Justice and Procedural Fairness](#)

Informing Persons and Responding to Allegations

Where a complaint involves one person making allegations about another person, it is a requirement for Accelerated Training to hear both sides of the matter before making any judgements about how the complaint should be settled. A person who will be affected by a decision made by Accelerated Training as a result of a complaint has the right to be fully informed of any allegations and to be provided adequate opportunity to be heard and respond. The person has the right to:

- put forward arguments in their favour,
- show cause why a proposed action should not be taken,
- deny allegations,
- call for evidence to disprove allegations and claims,
- explain allegations or present an innocent explanation, and

- provide mitigating circumstances (information aimed at reducing the severity, seriousness, of something).

Accelerated Training also has an obligation to fully consider the substance of allegations and the response provided by parties before making a decision. Decisions must be communicated to the complainant and relevant persons subject of allegations in writing. This is to include advising these persons of their right to seek a third party review of decisions made by Accelerated Training.

Where an allegation is made that involve alleged criminal or illegal activity and it is considered outside the scope and expertise of Accelerated Training to investigate the matter, then in these circumstances Accelerated Training reserve the right to report these allegations to law enforcement authorities. Persons related to the matter involving alleged criminal or illegal activity will be advised in writing if this course of action is being taken.

Review by an independent person

Accelerated Training provides the opportunity for the person making a complaint or seeking an appeal who is not satisfied with the outcomes of the complaints and appeals handling process to seek a review by an independent person. Before a person seeks a review by an independent person, they are requested to

first allow Accelerated Training to full consider the nature of the complaint or appeal and to fully respond to the person in writing. If after this has occurred, the person is not satisfied with the outcome, they can then seek a review by an independent person. To request a review by an independent person, the complainant or the person making an appeal should inform the Office Manager of their request who will initiate the process with the Chief Executive Officer.

In these circumstances the Accelerated Training Chief Executive Officer will advise of an appropriate party independent of Accelerated Training to review the complaint (and its subsequent handling) and provide advice to Accelerated Training in regards to the recommended outcomes. The independent third-party is required to respond with their recommendations within fourteen (14) working days of their review being requested.

Where the Accelerated Training appoints or engages an appropriate independent person to review a complaint / appeal, then Accelerated Training will meet the full cost to facilitate the independent review. Where the person making a complaint or seeking an appeal objects to this appointment and requests to engage a person or organisation they nominate to undertake the review, then Accelerated Training may seek the

Accelerated Training

person making a complaint or seeking an appeal to contribute to the cost of engaging this person and undertaking the review.

Following an independent review, advice received from the independent person is to be accepted by Accelerated Training as final, advised to the person making a complaint or seeking an appeal in writing and implemented without prejudice.

Where a complaint is received by Accelerated Training and the Chief Executive Officer feels that they may be biased or there is a perception of bias, then the complaint is to be referred directly to an independent third-party for consideration and response as outlined above.

Unresolved Complaints and Appeals

Where the person making a complaint or seeking an appeal is not satisfied with the handling of the matter by Accelerated Training, they have the opportunity for a body that is external to Accelerated Training to review his or her complaint or appeal following the internal completion of complaint or appeals process.

Students who are not satisfied with the process applied by Accelerated Training may refer their grievance to the following external agencies:

- In relation to consumer protection issues, these may be referred to the **Office of Fair Trading**.
- In relation to the delivery of training and assessment services, these may be referred to the **National Training Complaints Service** via the following phone number: 13 38 73.

Recognition of your existing skills & knowledge

In accordance with the requirements of the Standards for Registered Training Organisations, Accelerated Training provides the opportunity for Students to apply to have prior learning recognised toward a qualification or units of competence for which they are enrolled.

What is recognition?

Recognition involves the assessment of previously unrecognised skills and knowledge that an individual has achieved outside the formal education and training system. Recognition assesses this unrecognised learning against the requirements of a unit of competence, in respect of both entry requirements and outcomes to be achieved. By removing the need for duplication of learning, recognition encourages an individual to continue upgrading their skills and knowledge through structured education and training towards formal qualifications

and improved employment outcomes. This has benefits for the individual and industry. Most importantly, it should be noted that recognition is just another form of assessment.

Recognition guidelines

The following guidelines are to be followed when an application for recognition is received:

- Any Student is entitled to apply for recognition in a course or qualification in which they are currently enrolled.
- Students may not apply for recognition for units of competence or a qualification which are not included in Accelerated Training scope of registration.
- Whilst Students may apply for recognition at any time, they are encouraged to apply before commencing a training program. This will reduce unnecessary training and guide the Student down a more efficient path to competence.
- Students who are currently enrolled in a training program are eligible to apply for recognition in that program at no additional charge.
- Assessment via recognition is to apply the principles of assessment and the rules of evidence.

- Recognition may only be awarded for whole units of competence.

Forms of evidence for recognition

Recognition acknowledges that workplace skills and knowledge may be gained through a variety of ways including both formal and informal learning or through work-based or life experience.

Like assessment, recognition is a process whereby evidence is collected and a judgement is made by an assessor or assessment team. The judgement is made on evidence provided by candidates of the skills and knowledge that they have previously learnt through work, study, life and other experiences, and that they are currently using. It also includes evidence to confirm a candidate's ability to adapt prior learning or current competence to the context of the intended workplace or industry.

Forms of evidence toward recognition may include:

- Work records;
- Records of workplace training;
- Assessments of current skills;
- Assessments of current knowledge;
- Third party reports from current and previous supervisors or managers;

Accelerated Training

- Evidence of relevant unpaid or volunteer experience;
- Examples of work products;
- Observation by an assessor in the workplace;
- Performance appraisal; or
- Duty statements.

Many of these forms of evidence would not be sufficient on their own. When combined together, with a number of evidence items, the candidate will start to provide a strong case for competence. Accelerated Training reserves the right to require candidates to undertake practical assessment activities of skills and knowledge in order to satisfy itself of a candidate's current competence.

What is national recognition?

National recognition is the recognition of learning achieved through formal education and training. Under the Standards for Registered Training Organisations, qualifications and statements of attainment issued by any RTO are to be accepted and recognised by all other RTOs. National recognition allows a Student to be awarded a unit of competency/module based on successful completion of the unit which has been previously awarded.

Evidence requirements

If you are seeking national recognition you are required to present your statement of attainment or qualification for examination to Accelerated Training.

These documents will provide the detail of what units of competence you have been previously issued. You must provide satisfactory evidence that the statement of attainment or qualification is authentic, is yours and that it has been issued by an Australian RTO. Statements of attainment or qualifications should be in the correct format as outlined in the Australian Qualifications Framework. You are required to submit copies only which are certified as a true copy of the original.

National recognition guidelines

The following guidelines are to be followed in relation to national recognition:

- Any Student is entitled to apply for national recognition in a course or qualification in which they are currently enrolled.
- Students may not apply for national recognition for units of competence or qualification which are not included in Accelerated Training scope of registration.
- Whilst Students may apply for national recognition at any time, they are encouraged to apply before commencing a training program. This

will reduce unnecessary training and guide the Student down a more efficient path to competence.

- The Student does not incur any fees for national recognition and Accelerated Training does not receive any funding when national recognition is granted.
- National recognition may only be awarded for whole units of competence. Where a mapping guide identifies a partial credit, this will not be considered for national recognition and applicants will be advised to seek recognition.

Copyright Act 1968

Copyright is a type of property that is founded on a person's creative skill and labour. It is designed to prevent the unauthorised use by others of a work, that is, the original form in which an idea or information has been expressed by the creator.

Copyright is not a tangible thing. It is made up of a bundle of exclusive economic rights to do certain acts with an original work or other copyright subject-matter. These rights include the right to copy, publish, communicate (e.g. broadcast, make available online) and publicly perform the copyright material.

There is no general exception that allows a work to be reproduced without infringing copyright. Where a part of a work is

copied, the issue is whether a substantial part of that work has been reproduced and thus an infringement has occurred. However, there is a 10% rule which applies in relation to fair dealing copying for the purposes of research or study. A reasonable portion of a work may be copied for that purpose, and a reasonable portion is deemed to be 10% of a book of more than 10 pages or 10% of the words of a work in electronic form.

Ensuring a guaranteed safety net of fair, relevant and enforceable minimum terms and conditions through the National Employment Standards, modern awards and national minimum wage orders;
